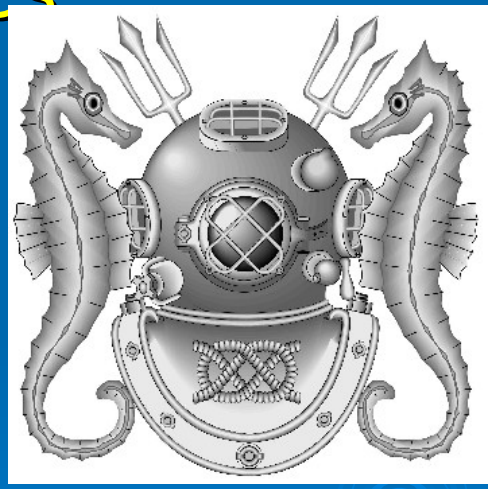
DIVE/JUMP REPORTING SYSTEM

NAVAL SAFETY CENTER POCs:

LT SARAH WILSON

CW03 JEFF ANNON

MGySgt Keith Johnson



PROGRAM DEVELOPER:

JEFF RICHLEY

E-MAIL: SAFE-Divesalvage@navy.mil

DIVE/JUMP REPORTING SYSTEM

- Topics covered-
  - WESS System
  - Capabilities
  - Requesting a WESS/DJRS Account
  - Roles and Permissions
  - Creating a Profile
  - Giving/Removing Roles and Permissions

WESS

- Web Enabled Safety System-A secure system by which the Navy/Marine Corp report Mishaps and now Diving and Jumping operations.
- DJRS is a subsystem of WESS which is why a WESS account is needed to access DJRS.
- A Common Access Card (CAC) is required to log onto WESS.

DJRS CAPABILITIES

- Allows commands to query past dives, types of dives, equipment, individual divers, etc..
- Can be used as an individual dive log.
- Makes Smooth Logs available with the push of a button for inspections.
- Negate sending dives to the Safety Center.
- Provide Diver/Jumper qualifications and lapse dates.
- Alert command when physical for individual is due.
- Create, Route and Approve Dive without printing a piece of paper.
- Move a diver to another command without printing a dive report.
- Same capabilities for the jump side.
- Questions?

Command UIC
Help
UIC (Navy) or MCC/RUC (Marine)
If searching via a partial activity name, please follow these search suggestions:
Detachments - Use acronym of activity type (EODMU, FASOTRAGRULANT) or detachment location (Crane, Keflavik, Norfolk)
Ships and Submarines - Omit the preface of USS (RONALD REAGAN, OHIO)
Shore - Use root word of activity (safety, hospital, exchange, base) or activity location
Squadrons - Use "squadron" followed by a space and a number (SQUADRON 85). To further refine your search preface with squadron type (FIGHTER SQUADRON 85, RESCUE SQUADRON 32, etc.)
Reserve Units - Use "RESERVE" to search for all Reserve units. To further refine your search, preface with unit type (NAVAL, MARINE CORPS, NAVAL AIR)
Enter the Unit Code, if known -- OR -- a complete or partial activity name to search.
If your search result is "No Matching UIC Found", go to WESS Help to report a missing or incorrect UIC/MCC/RUC.
UIC or MCC/RUC Number
Activity Name
Search
Note: You must make an entry, press search, and then choose your entry from the selections returned below. Typing entry in the Number or Name field and pressing next will not save your entry.
* Indicates required field must be entered before moving to next screen
CAUTION - USE OF THE BROWSER ARROWS MAY CAUSE APPLICATION ERRORS.

US DEPARTMENT OF DEFENSE WARNING STATEMENT
You are accessing a U.S. Government (USG) information system (IS) that is provided for USG-authorized use only.
By using this IS, you consent to the following conditions:
-The USG routinely monitors communications occurring on this IS, and any device attached to this IS, for purposes including, but not limited to, penetration testing, COMSEC monitoring, network defense, quality control, and employee misconduct, law enforcement, and counterintelligence investigations.
-At any time, the USG may inspect and/or seize data stored on this IS and any device attached to this IS.
-Communications occurring on or data stored on this IS, or any device attached to this IS, are not private. They are subject to routine monitoring and search.
-Any communications occurring on or data stored on this IS, or any device attached to this IS, may be disclosed or used for any USG-authorized purpose.
-Security protections may be utilized on this IS to protect certain interests that are important to the USG. For example, passwords, access cards, encryption or biometric access controls provide security for the benefit of the USG. These protections are not provided for your benefit or privacy and may be modified or eliminated at the USG's discretion.
Contact the WESS Help Desk at (757) 444-3520 x7048 (DSN 564)
during normal business hours, M-F, 0800 to 1630 EST/EDT.

ROLES & PERMISSIONS

Roles:

- Dive Analyst
- Dive DJRS Profile Manager
- Dive Recorder
- Dive Unit Manager
- Jump Analyst
- Jump DJRS Profile Manager
- Jump Recorder
- Jump Unit Manager
- Role Sharer
- Sensitive Data Handler

Defining Roles

- Dive Analyst-
  - Can view command dives in progress
  - Can view dive history tab
  - Can produce a dive history report
- Dive DJRS Profile Manager-
  - Create DJRS profiles
  - Can edit DJRS profiles
  - Can set profiles to be divers
  - Can produce a dive currency report
  - Can produce a personal dive log for other DJRS no.

Defining Roles (cont)

- Dive Recorder-
  - Can create and enter dive logs
- Dive Unit Manager-
  - Can set, change and delete associations between DJRS profiles and WESS accounts.
  - Can gain and lose people under their UIC
  - Can deactivate and/or reactivate DJRS profiles.
  - Note: Once account is created it cannot be deleted.

Defining Roles (cont)

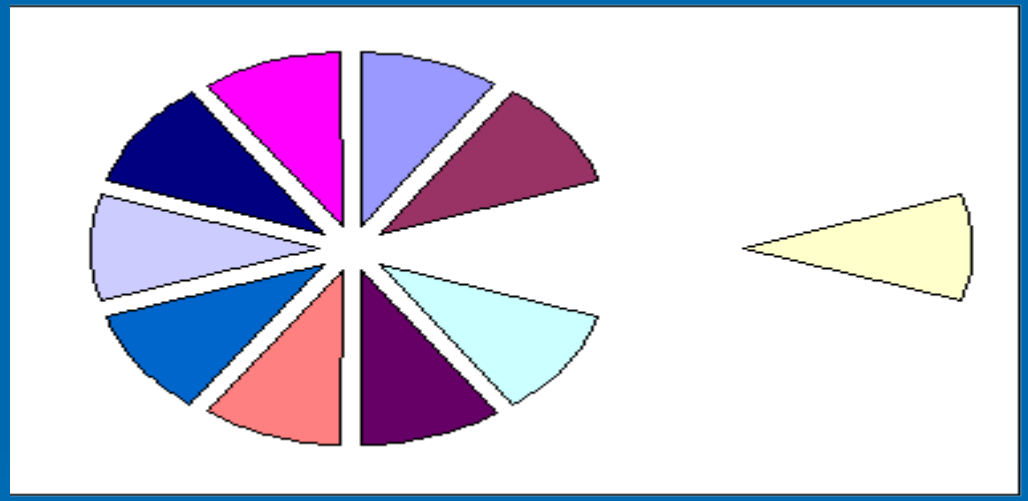
- Jump Analyst-
  - Same as dive except in jump capacity
  - Can produce a cargo drop report
- Jump DJRS Profile Manager-
  - Same as dive except in jump capacity
- Jump Recorder-
  - Can create and enter manifests
- Jump Unit Manager-
  - Same as dive except jump capacity

Defining Roles (cont)

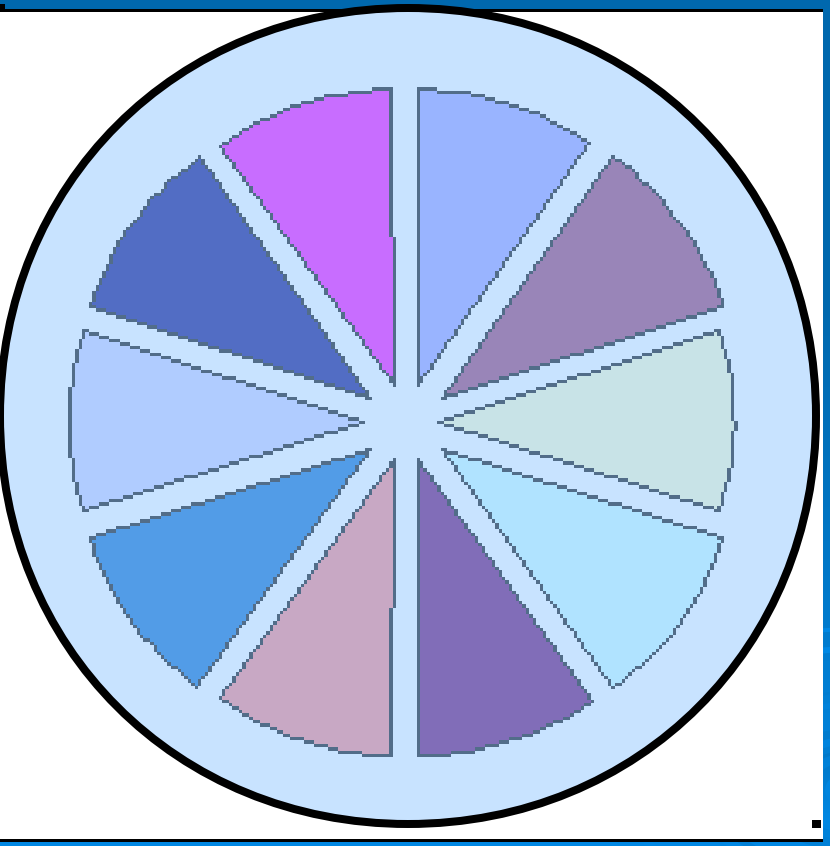
- Role Sharer-
  - *Can share and revoke roles with other people and produce Role reports.
- Sensitive Data Handler

Permissions

Individual Role



Command Roles



Role Sharer-gives anyone with the permissio
The ability to change any information under
UIC. Limit number of individuals with this
Permission.

Creating a profile

- When creating a profile, verify the diver and/or jumper is not already in the system.

When you click on Diver or Jumper, you have the option of giving them further roles by identifying them as a Supervisor, Jumpmaster, MDV, DO, etc.
Only select the option if the diver/jumper is designated in writing by the command.

Roles and Permissions

- Roles and permissions can only be given to someone who has a WESS account.
- You will know that you can give roles if you see the Share/Remove Roles, in the left hand column under Personnel.
- If a diver or jumper requires roles:
  - Recorder
  - Analyst
  - Profile manager
  - Unit Manager
  - Role Sharer

  Click on the share/remove roles box.

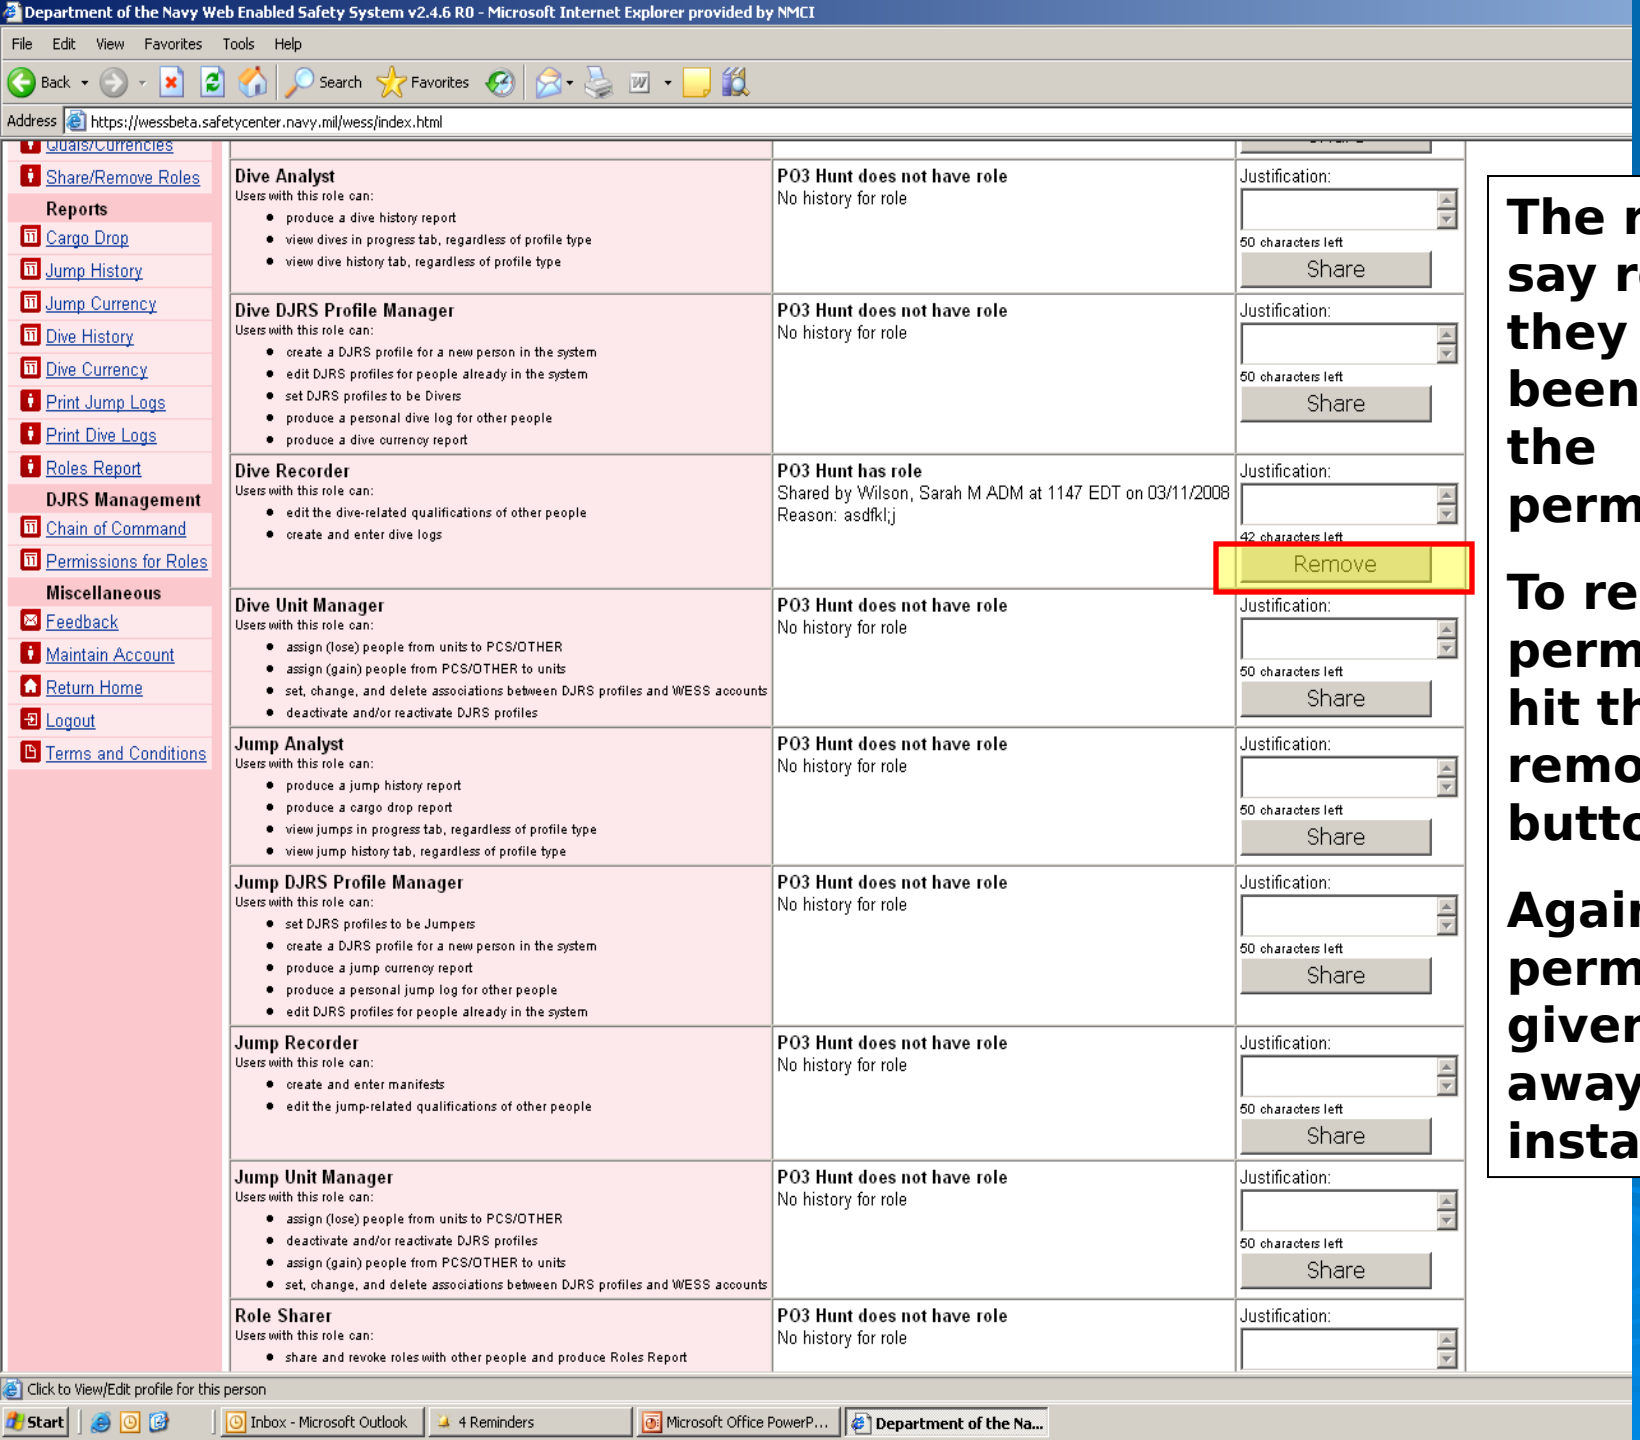
Give a justification in the text box and hit Share.

The role will instantly be applied to their account.

If you are giving multiple roles, hit share for each one.



The role will say remove if they have been given the permission.

To remove the permission, hit the remove button.

Again, the permission is given or taken away instantly.

Help

- If you have any questions regarding the new system or need help, please contact us at safe-divesalvage@navy.mil or at (757) 444-3520 *7837/DSN: 564-3520 *7837 for the dive side and keith.r.johnson@navy.mil or (757) 444-3520 *7160 for the jump side.
